

Contoso Travel Agency - Activity Cancellation Policy

Overview

This document describes the cancellation and modification policies for all activities, tours, experiences, and restaurant reservations booked through Contoso Travel Agency. Policies vary based on the timing of cancellation and your Contoso Voyager Rewards membership tier.

Important: Some premium experiences, private tours, and seasonal activities may have non-refundable components. These are clearly disclosed at the time of booking.

Standard Activity Cancellation Policy

More than 72 hours before the activity

Full refund (100%) of the activity price. No cancellation fee applies. This is the standard free cancellation window for all activities booked through Contoso.

Gold Members: Gold members enjoy an extended window - full refunds are available for cancellations made more than 48 hours before the activity (instead of the standard 72 hours).

Platinum Members: Platinum members benefit from the most flexible terms - full refunds for cancellations made more than 24 hours before the activity.

24 to 72 hours before the activity

50% refund of the activity price. A 50% cancellation fee is retained to cover provider costs and reservation holds.

Gold Members: Gold members who cancel between 48 and 72 hours before the activity receive a full refund (this falls within the Gold extended window). Between 24 and 48 hours, Gold members receive the standard 50% refund.

Platinum Members: Platinum members who cancel between 24 and 72 hours before the activity receive a full refund (within the Platinum extended window). Platinum members only face reduced refunds for cancellations within 24 hours.

Less than 24 hours before the activity

No refund is available for standard members. The full activity price is forfeited.

Silver Members: Silver members follow the standard no-refund policy within 24 hours.

Gold Members: Gold members receive 1 complimentary last-minute cancellation per calendar year. When used, a full refund is provided even within 24 hours of the activity. After the annual allowance is used, the standard no-refund policy applies.

Platinum Members: Platinum members enjoy unlimited last-minute cancellations. A full refund is provided for any cancellation, regardless of timing. Platinum members may also request priority rebooking for the same or a similar activity at a later date.

Private & Premium Experiences

Private tours, VIP experiences, chef's table dinners, and other premium activities may include non-refundable components (e.g., venue deposits, private guide fees). These are disclosed at booking time. The refundable portion of the booking follows the standard cancellation timeline above.

Non-refundable deposits typically range from 20% to 50% of the total experience price.

Platinum Members: Platinum members are exempt from non-refundable deposit requirements for premium experiences. The full booking price follows the standard Platinum cancellation terms (full refund with 24+ hours notice, unlimited last-minute cancellations).

Weather-Dependent Activities

Outdoor activities that are weather-dependent (e.g., sailing tours, hiking excursions, hot air balloon rides) follow special cancellation rules when cancellation is due to weather:

- If the activity provider cancels due to weather: Full refund or free rebooking to any available date within 6 months.
- If you cancel due to weather concerns (provider has not cancelled): Standard cancellation timeline applies.

Contoso Travel Agency partners with local weather services to provide advance notice when weather cancellations are likely. You will receive an email notification at least 4 hours before the activity when weather conditions may force cancellation.

Restaurant Reservations

Restaurant reservations booked through Contoso Travel Agency follow simplified cancellation terms:

- More than 4 hours before the reservation: Free cancellation, no fee.
- Less than 4 hours before the reservation: A no-show fee of \$15-\$50 CAD per person may apply, depending on the restaurant.
- No-show (failure to arrive within 15 minutes of the reservation): The restaurant's standard no-show fee applies.

Some high-demand restaurants require a non-refundable deposit at booking. This is clearly disclosed before you confirm the reservation.

Gold Members: Gold members' restaurant no-show fees are capped at \$25 CAD per person regardless of the restaurant's standard rate.

Platinum Members: Platinum members receive 2 restaurant no-show fee waivers per calendar year. Platinum members also receive priority rebooking for fully booked restaurants.

Group Activity Bookings

Group bookings (8 or more participants) for activities follow adjusted cancellation terms:

- More than 7 days before the activity: Free cancellation for the entire group.
- 3 to 7 days before the activity: 25% cancellation fee.
- Less than 3 days before the activity: 50% cancellation fee.

- Individual participants may cancel separately without affecting the group, provided the minimum group size is maintained.

Partial cancellations (reducing the group size below the minimum) may result in the per-person rate being adjusted to the standard (non-group) rate for the remaining participants.

Activity Modifications

You may modify your activity booking (date, time, number of participants) subject to availability. Modifications made more than 72 hours before the activity are free for all members.

Modifications within 72 hours incur a \$15 CAD processing fee per modification.

Gold Members: Gold members are exempt from the processing fee for modifications made more than 48 hours before the activity.

Platinum Members: Platinum members never pay modification fees for activities, regardless of timing. Platinum members can also request same-day activity swaps through their dedicated concierge.

Refund Processing

Activity refunds are processed to the original payment method. Processing times:

- Credit card: 10-15 business days.
- Contoso Travel Credit: Instant. Travel credit includes a 5% bonus on the refund amount.
- Bank transfer: 15-20 business days.

Platinum Members: Platinum members receive priority refund processing: credit card refunds within 3 business days, bank transfers within 5 business days.
