

Contoso Travel Agency - Flight Cancellation Policy

Overview

This document describes the cancellation and modification policies for all flights booked through Contoso Travel Agency. Policies vary based on the timing of cancellation relative to the scheduled departure and your Contoso Voyager Rewards membership tier. All refund amounts are calculated based on the total fare paid, excluding taxes and surcharges, which are always refunded in full.

Important: These policies apply to flights booked directly through Contoso Travel Agency. Flights booked through third-party platforms or directly with the airline are subject to that provider's cancellation terms.

Standard Cancellation Timeline

The following refund schedule applies to all Contoso-booked flights. The cancellation window is measured from the moment the cancellation request is confirmed to the scheduled departure time of the first flight segment.

More than 30 days before departure

Full refund (100%) of the base fare. The refund is processed to the original payment method. This is the most flexible cancellation window and applies to all members regardless of tier.

15 to 30 days before departure

75% refund of the base fare. A 25% cancellation fee is retained by Contoso Travel Agency to cover administrative and airline processing costs.

Gold Members: Gold members receive a 10% refund bonus, bringing the total refund to 85% of the base fare.

Platinum Members: Platinum members receive a full 100% refund for cancellations in this window - no cancellation fee applies.

7 to 14 days before departure

50% refund of the base fare. The remaining 50% is retained as a cancellation fee.

Platinum Members: Platinum members receive a full 100% refund for cancellations in this window.

Less than 7 days before departure

25% refund of the base fare. This applies to cancellations made between 24 hours and 7 days before departure.

Gold Members: Gold members receive a 10% refund bonus, bringing the total refund to 35% of the base fare.

Platinum Members: Platinum members receive a 50% refund of the base fare in this window.

Less than 24 hours before departure

No refund is available for standard members. The full base fare is forfeited. Taxes and government-imposed surcharges are still refunded.

Contoso Travel Agency - Flight Cancellation Policy

Silver Members: Silver members follow the standard policy - no refund within 24 hours of departure.

Gold Members: Gold members may use their 1 complimentary rebooking (per calendar year) to reschedule instead of cancelling. If the rebooking benefit has already been used, standard policy applies.

Platinum Members: Platinum members receive a 25% refund even within 24 hours of departure. Additionally, Platinum members have unlimited complimentary rebooking and can reschedule to any available flight at no cost.

Flight Modification & Change Fees

Flight modifications include changes to travel dates, times, routing, or passenger names. Modifications are subject to availability and any fare difference between the original and new itinerary.

A standard modification fee of \$75 CAD per passenger, per change applies to all flight modifications.

Silver Members: Silver members are exempt from the \$75 change fee when modifications are made more than 72 hours before departure. Changes within 72 hours incur the standard fee.

Gold Members: Gold members are exempt from change fees when modifications are made more than 48 hours before departure. Within 48 hours, the standard \$75 fee applies. Gold members also receive 1 complimentary rebooking per calendar year, usable at any time - even within 24 hours of departure.

Platinum Members: Platinum members never pay change fees, regardless of timing. All flight modifications are free of charge at any time before departure. Platinum members also enjoy unlimited complimentary rebooking to any available flight.

Rebooking Policy

Instead of cancelling, you may choose to rebook your flight to a different date or route. Rebooking preserves the value of your original ticket and avoids cancellation fees.

Standard rebooking fee: \$50 CAD per passenger. Any fare difference between the original and new flight is charged or refunded accordingly.

Silver Members: Silver members pay the standard \$50 rebooking fee.

Gold Members: Gold members receive 1 complimentary rebooking per calendar year (no \$50 fee). Additional rebookings are charged at the standard rate.

Platinum Members: Platinum members enjoy unlimited free rebooking. No rebooking fees ever apply, and fare differences are handled at the reduced Platinum rate.

Refund Processing

Refunds are processed to the original payment method. Processing times vary by refund method:

- Credit card: 10-15 business days from the date the cancellation is confirmed.
- Contoso Travel Credit: Instant. Travel credit is valid for 12 months and can be applied to any future booking.
- Bank transfer: 15-20 business days.

Platinum Members: Platinum members enjoy priority refund processing. Credit card refunds are processed within 3

- Full refund (100%) of the base fare, taxes, and surcharges.
- Free rebooking to any available date within 12 months of the original departure.
