

Contoso Travel Agency - Hotel Cancellation Policy

Overview

This document describes the cancellation and modification policies for all hotel and accommodation bookings made through Contoso Travel Agency. Policies vary based on the timing of cancellation relative to the scheduled check-in date and your Contoso Voyager Rewards membership tier. All policies apply to standard bookings at Contoso partner hotels.

Important: Special event periods, holiday blackout dates, and non-refundable rate bookings may have different cancellation terms. These exceptions are clearly marked at the time of booking.

Standard Cancellation Policy

More than 48 hours before check-in

Free cancellation with a full refund. No cancellation fee applies. The refund is processed to the original payment method within 10-15 business days.

This standard 48-hour free cancellation window applies to all members, including non-members.

24 to 48 hours before check-in

A cancellation fee equal to one night's stay (including taxes) is charged. The remaining balance of the reservation is refunded.

Gold Members: Gold members enjoy an extended free cancellation window. Cancellations made more than 24 hours before check-in are completely free - no one-night penalty applies.

Platinum Members: Platinum members benefit from an even more generous window. Cancellations made more than 12 hours before check-in are completely free.

Less than 24 hours before check-in

A cancellation fee equal to one night's stay is charged. For bookings of 3 nights or more, the fee is capped at 50% of the total reservation cost.

Gold Members: Gold members who cancel within 24 hours are charged the standard one-night fee, but it is capped at 50% of the nightly rate (rather than the full nightly rate).

Platinum Members: Platinum members who cancel within 12 hours of check-in are charged a maximum of one night's stay. Cancellations between 12 and 24 hours before check-in remain free for Platinum members.

No-show

If you do not check in and do not cancel your reservation, you will be charged the full cost of the first night's stay. For multi-night bookings, the hotel may also cancel the remaining nights, and a no-show fee equal to one additional night may apply depending on the hotel's policy.

Gold Members: Gold members' no-show fee is capped at 50% of the first night's rate.

Platinum Members: Platinum members are granted 2 no-show fee waivers per calendar year. When a waiver is applied, no charge is incurred. After the 2 waivers are used, the standard one-night no-show fee applies.

Reservation Modifications

You may modify your hotel reservation (dates, room type, number of guests) at any time, subject to availability. Modifications made more than 48 hours before check-in are free for all members.

Modifications within 48 hours of check-in incur a \$25 CAD processing fee per modification.

Gold Members: Gold members are exempt from the \$25 modification fee when changes are made more than 24 hours before check-in.

Platinum Members: Platinum members never pay modification fees for hotel reservations, regardless of timing. Any rate difference between the original and modified reservation is charged or refunded accordingly.

Special Event & Blackout Periods

During designated special event periods (major conferences, festivals, holidays), partner hotels may enforce stricter cancellation policies. These typically include:

- Non-refundable deposits of 1-2 nights' stay required at booking.
- Cancellation window extended to 7 days before check-in for free cancellation.
- Late cancellations (within 7 days) forfeit the deposit.

Special event periods are clearly marked at the time of booking. Contoso Travel Agency will always display the applicable cancellation terms before you confirm your reservation.

Gold Members: Gold members receive a 50% reduction on non-refundable deposit requirements during special event periods.

Platinum Members: Platinum members are exempt from non-refundable deposit requirements during special event periods. Standard Platinum cancellation terms apply even during blackout dates.

Group Bookings

Group bookings (5 or more rooms) follow a separate cancellation schedule:

- More than 60 days before check-in: Free cancellation for the entire group.
- 30 to 60 days before check-in: 50% of the first night's rate per room as a cancellation fee.
- Less than 30 days before check-in: Full first night's rate per room as a cancellation fee.

Individual rooms within a group booking may be cancelled separately without affecting the remaining rooms, provided the minimum group size (5 rooms) is maintained.

Extended Stay Bookings

Bookings of 14 nights or more are classified as extended stays and benefit from the following terms:

Contoso Travel Agency - Hotel Cancellation Policy

- Free cancellation up to 7 days before check-in (instead of the standard 48 hours).
- Early departure (checking out before the original end date) incurs a fee equal to 2 nights' stay.
- Partial cancellation (shortening the stay) is treated as a modification and follows modification rules.

Platinum Members: Platinum members' early departure fee is waived for the first occurrence per calendar year.

Refund Processing

Hotel refunds are processed to the original payment method. Processing times:

- Credit card: 10-15 business days.
- Contoso Travel Credit: Instant. Travel credit includes a 5% bonus on the refund amount.
- Bank transfer: 15-20 business days.

Platinum Members: Platinum members receive priority refund processing: credit card refunds within 3 business days, bank transfers within 5 business days.
